**Outreach, Education, and Enrollment Efforts in Support of the Affordable Care Act
Event Partner Interview Protocol**

We would like to start by having you describe the event you helped to organize to reach out to and educate individuals about the provisions in the Affordable Care Act or ACA [and enroll them in the health exchange, if applicable].

1. What was the population or populations that the effort was focused on?
2. How were you able to identify the need in that specific population?
3. How were you able to develop your overall strategy to reach that specific population?
4. Please describe how you became involved in the event, what information convinced you that this was a worthwhile effort?
5. What was your [or your organization's] role in the effort?
6. In your opinion, was the effort successful or not?
 - a. [If it was successful] what facilitated its success?
 - i. Your organization's knowledge, skills, relationships, etc?
 - ii. Other partners' knowledge, skills, relationships, etc?
 - iii. The navigators? [if applicable]
 - iv. The people who came to the event or were reached by the event?
 - v. Other?
 - b. [if it was not successful] Why? What would you do differently next time to ensure success?
7. What were the challenges you faced?

PROBE: Did you experience any challenges related to participant recruitment?

PROBE: Did you experience any challenges related to publicizing the event?

8. If you were to advise another organization or community about what they should do to successfully reach out to and educate individuals about the provisions in the Affordable Care Act (or ACA), and to enroll them in the health exchange (if applicable) what would you tell them?

9. Are there any other lessons learned that you would like to share that we have not discussed?

10. Do you have any additional comments?

Thank you for your time. Your feedback is very valuable to the success of the Affordable Care Act in ensuring that underserved populations have access to health care.
